

SunShine Sisters

Boynton Beach FL

The SunShine Sisters in South Florida send a hurrah to end of summer! Saying good-bye to record high temperatures and hello to somewhat slightly cooler autumn weather is something we are looking forward to. As long as no hurricanes come our way, we're golden!

We partied down in Crystal River at the Florida Chapter Challenge hosted by our sisters of Iron Horse Roses Chapter. We had great weather, good food, fun games and a special bike blessing while getting to spend quality time with sisters across our great state over interesting conversation and lots of laughter. A few mechanical mishaps and some vicious mosquitoes are the only damper on the weekend, but we never let little things stop us. Congrats to Silver River Chapter who won the honor of hosting next year. We're already looking forward to it!

In our end of summer celebrations, we had a reunion ride and a lake ride. It was a good time to give our bikes some exercise and work out all the mechanical maladies to gear up for the riding season. Both rides were brutally hot, but we endured the blistering rays to get to spend time in the wind with our sisters. As long as you keep moving it's not so bad, but sitting at a stoplight really sucks. Our secret biker identities can't be hidden when we show up with

biker sunglass tans on our smiling faces. Good food in air conditioning is always a welcome break and the down home Pogeys' Family Diner and ocean front Whale's Rib served up treats with individual mini ice water pitchers and secret whale juice sauces.

The SunShine Sisters are looking forward to gearing up for Daytona Biketoberfest and the many opportunities to show off our pink during the breast cancer awareness month of October. Save the tatas! Winter is quickly approaching which will mean holiday parties and toy runs. It's good to finally be riding again and the Florida Chapter Challenge was an awesome way to kick off the riding season!

As always, keep the shiny side up and enjoy your knees in the breeze!

Smiles thru the miles!
